We also meet in the **RED DOOR REFUGE & CAFÉ**. Our name, **Red Door**, is a reference to the "all are welcome" signal that a red door indicated to weary travelers in early American tradition. This is also biblically based upon the Passover in which salvation came to a home through the smearing of blood on the door posts, a red door.

Class discussions revolve around tough issues about faith, God, scripture and how it applies to our lives, and what it means to be a Christian. Teens are encouraged to participate and engage as much or as little as desired.

Break-Out Classes

We often have small groups that break off to do a focused study. Check out our website to learn what different classes are studying. Feel free to participate in any study that interests you.

Believers

Room 303

Class led by Robert Brown & Maurice Moon

This class has transformed into a class for all ages. The lessons are from the Nazarene adult quarterly curriculum. As the class studies the Bible-based lessons together, they examine how it applies in their daily lives. This class enjoys fellowship and meaningful prayer time together. They have seen miraculous answers to prayer by being faithful in reading the Word of God and also in prayer time with God.

Disciples

Room 117

Class led by Grace Melton

This class welcomes people of all ages but tends to be comprised of those age 50 and older. The class focuses on prayer and teaches from the Nazarene adult quarterly curriculum. The Disciples class plans social events for their class and Grace says they have the most fun.

Kingdom Builders

Room 133

Class led by Don Rader

This class is designed for senior adults. The lessons are taught from the standard Nazarene adult quarterly curriculum. The Kingdom Builders focus on prayer and support of one another. Time is given for comments and discussion. Each Sunday school session begins with singing a hymn. Once a month the class members go to a restaurant for an evening meal together.
